Date of Eye Examination

NOTE: Customer specifications may require **J1** as the minimum acceptance.

Color Vision (required for initial and annual certification.)
To be completed by medically recognized personnel or certified Level III NDT personnel or delegate.

Note: A candidate who passes Pseudo-Isochromatic Color Vision Test is acceptable. As an alternative or in case of a failure of an Pseudo-Isochromatic Color Vision Test, the certified level III NDT personnel may administer a performance test to confirm if the candidate can see flaw indication that are typical of the method. Example: In liquid penetrant, confirm that the candidate can see red indications on a white background and fluorescent-green indications on a variety of backgrounds.

I confirm that the candidate can distinguish contrast between the colors used in the NDT method(s) concerned as specified by the employer (or passed a Pseudo-Isochromatic Color Vision Test).
