#### Certification Statement

TSP Calibration, Inc. calibration systems complies with the requirements of ISO 9001:2015. The equipment that is certified by this certificate has been calibrated by standards that have accuracy which is traceable to standards of the National Institute of Standards and Technology.

#### Findings

Calibrated black light serial no. 2234240 was also used during this calibration.  
Calibration due date for black light is on 06/17/2026

Black light is traceable to NIST by the following numbers: 263546, 263547

|                            |             |                    |                 |                 |                |                    |      |
